

4.4.2-There are established systems and procedures for maintaining and utilizing physical, Academic and support facilities , laboratory, library, sport complex, computers, classroom etc.

Classrooms and Computers are made available for the college students. The College Campus, classrooms and furniture facilities are utilized regularly by the students, but sometimes it is also made available for intercollegiate competition. University level competition like chess competition, elocution and for Avishkar Research Convention. The equipment in all laboratories are calibrated, standardized & renewed from time to time. The college has an adequate number of computers with internet connections and the utility software is distributed in different locales like office, laboratories, libraries, departments, etc. The office computers contain proper software making work easier. They are restricting their use only to the appointed and authorized office staff. The college website is maintained and updated regularly. The maintenance of UPS and Inverter is regularly carried out. The academic support facilities like library, sports and the other platforms and activities supporting the overall development of the students like NSS is open for college students. Accession to the library is permitted. A provision of the budget for the library maintenance is made by the college management. The outdoor facilities are free to use for all the stakeholders & maintained under supervision.
