

2.6.1 Program outcomes, program specific outcomes and course outcomes for all programs offered by the Institution are stated and displayed on website and communicated teachers and students

Every Programme and their out comes of programmes are designed by Savitribai Phule Pune University, Pune which is mother organization and that design the syllabus and programme available on the website of University. For effective outcome S.P.P.U. Pune organized work shops for specific outcomes and course outcomes to teachers and students. In these workshop faculties, students and other stakeholder were actively participated for enrichment of course content and its outcomes. For effective execution of program outcomes, programme specific outcomes and course outcomes co-ordination management system is applied. After approval from faculties and authorities program outcomes, program specific outcomes and course outcomes were published on university website and made available to all stakeholders. Wide publicity has been given to program outcomes, program specific outcomes and course outcomes by college and University. The faculties, and students can access program outcomes, program specific outcomes and course outcomes from college website namely www.savitribacollegeofarts.in. It is also available on departmental notice board . The hard copy of program outcomes, programme specific outcomes and course outcomes can be accessed from respective department also. In the beginning of every academic year the concerned subject teacher and the respective head of all departments also explain the expected course outcome to students in the classroom. The learning outcomes have been communicated to teacher in Internal Quality Assurance Cell meeting and college committee meeting and university web. <http://www.unipune.ac.in>. Our institution and college plan to deliver program and course content in such a way that the targeted outcomes of program and course can be achieved. Departments collect feedback from students and alumni.

Programme outcomes:

Evaluation of programme outcomes, program specific outcomes and course outcomes are keys to assure the quality enhancement process of an institution. The Internal Quality Assurance Cell of the college has outlined general process for attainment of outcomes for the development of students. After a long consideration and discussion in IQAC, a process has been completed for

the evaluation of said outcomes. College ensures the attainment of programme outcomes like ability for independent learning, sense of civic responsibility, environmental consciousness, soft skills, life skills, team work, moral values, human values, professional ethics, scientific awareness, practical approach, critical thinking ,and leadership qualities. Programme outcomes for every degree programme are stated with syllabus. On completion of any such programme institute can analyze and evaluate programme outcomes by collecting feedbacks from students. Institute also collect feedback from alumni, teachers and managementso as to evaluate attainment of programme outcomes. Programme specific outcomes for B.Aprograms are well stated for each programme by board of studies for various programs who designs the syllabus. Academic council of university gives its final approval for the stated programme specific outcomes. Candidates taking admission for specific programme have to attain programme specific attainments like; college assesses students of Marathi, Hindi and English for attainment of their linguistic skills, students enrolled for Geography about environmental and natural recourses utilization and awareness. Economics for their financial literacy, students of History and Politics about civic responsibility B.A. programme is believed to inculcate cultural and social approach for formation of ideal society free from caste, creed and religion. Programme like environmental creates scientific temperament and awareness among the students. Board of studies for various courses prepare and state course outcomes for all courses. The students admitted for various courses like, Geography, Marathi, Hindi, English, History, Politics, Economics, have to attain course outcomes. Course outcomes can be calculated by analyzing final year results of respective course. Course outcomes can also be evaluated from feedbacks collected from students, teachers, and alumni. In the courses like Geography,and environmental awareness course outcomes can be evaluated by taking the students for field visits and analyzing their knowledge base and awareness on field about environmental issues and conservation of natural resources.
