POLICY FOR PROVIDING FINANCIAL ASSISTANCE

Policy for providing financial assistance to the teaching and non-teaching staff for participating in research programs/conferences/seminars and workshops is available. Financial assistance for faculty development / skill development program will be produced by the University as per the rules and regulation.

Policy statement

Financial assistance for teaching and non-teaching staff is available. It is the way of seeking new skill /pedagogy/ professional development and training in research programs/conferences/seminars and workshops in order to continue and develop the quality of teaching and non-teaching staff of the college.

Mechanism

Financial assistance is to be provided as per their requirement to the teaching and non-teaching staff, those contributing in research programs/conferences/seminars and workshops. Those who are participating in professional development programmes/faculty development program/ skill development programs will be financed by the university as per their rules and regulations.

Procedure

1. The teaching and non-teaching staffs seeking financial assistance for participation in research programs/conferences/seminars and workshops have to take consent by the college principal. The permission will be given to attend professional development program without financial assistance by the college.
2. The invitation receipt of the programmes has to be attached with the duty leave application.
3. Duty leave is permissible if the conducted program is organised by the University, affiliated college or any authorized institutions etc.
4. Payment for the Travelling Allowance and registration fees can be redeemed after the successful completion of the research program/conference/seminar and workshop by the candidate.
5. The teacher essentially presenting his/her research paper in seminar/ conference/workshop will be provided financial assistance.
6. Financial support will be provided to the teachers to seek membership of the professional bodies/ institutes.

Objective

1. To promote and enhance professional skills among the teaching and non-teaching staff.
2. To encourage faculty to retain themselves professionally update.
3. To enable faculty to know the techniques and methods of emerging technology.
4. To improve the quality of teaching, learning and administration of the college.
