College Research Policy

College research policy refers to the guidelines and regulations that govern the conduct of research activities at college. The policy is intended to ensure that research is conducted in an ethical, responsible, and transparent manner and that the rights and interests of all parties involved are protected.

Objectives

1. To develop research vision and promote research attitude among students and faculty.
2. To create awareness about research and enhance curiosity among students and faculty.
3. To research local problems and suggest suitable solutions,
4. To develop research culture in the college.
5. To increase participation of students in invention competition.
6. To encourage faculty researcher to take research projects under Savitribai Phule Pune University and other research institutes like UGC.

Goal Strategies

1. Organizing research workshops and invention competitions at the college level.
2. To provide basic facilities (computer, library, internet, facilities of Xeroxing, reference books etc.) required for research to the researcher.
3. Provide financial assistance to research students and faculty for research projects.
4. Conducting various surveys to find out local problems through research.
5. Organizing seminars for students and faculties.
6. To provide financial support for attending various workshops/conferences and seminars.
7. To encourage to present their research papers in seminars and publish in reputed journals.
8. Grant of leave (D.L.) for research work.

Procedure of Financial Provisions

1.Financial Provision for College students:

As per the requirement of students expenditure on T.A./D.A./Registration fees per year is being provided by College with prior permission of the Principal for Invention, Competition and Research Workshops.

2. Financial Provisions for all faculties and non-teaching staff of the college:

1. The teaching and non-teaching staffs seeking financial assistance for participation in research programs/seminars/workshops/conferences have to take consent by the principal of the college. The permission will be granted to attend professional development program without financial assistance by the college.
2. Payment for the T.A./Registration fees to attend and present their papers in seminars and conferences.
3. Financial support will be provided to the faculty of the college to seek membership of the professional bodies/institutes.

Overall, college research policy should support the highest standards of ethical conduct and responsible research practices, while providing a framework for conducting innovative and impactful research.
